

Dear Alpine Boats Customer,

Thank you for purchasing a Saturn Inflatable Boat, Raft, kayak or KaBoat from Alpine Boats, LLC! Please find the documents needed to register your product in The USA attached. You will need to print these documents and fill them out completely BEFORE taking the documents to the registration office.

BILL OF SALE:

TOP OF FORM: Please print and fill in the sale price (before tax, if any) and your name and address in the top section of the form.

MIDDLE OF FORM (IN BOX): You only need to fill out those items with an asterisk (*) next to it. If you are not sure of the length, width or HP of your new craft, please visit the webpage for the product at www.alpineboats.com. The information is listed there for each model.

The HULL ID or HIN NUMBER can be found on the transom of the boat (where a motor would mount to the boat in the rear). It is located on a metal plate facing the back of the boat and usually starts with VEJ..... Also, the HIN number is usually on the white label on THE BOX your product was delivered in, although the VEJ is missing in that location. If you purchased an Azzurro Mare product the first 3 digits will be different.

BOTTOM OF FORM: Please fill in the date of purchase.

MSO FRONT:

TOP OF FORM: Please fill in the date of purchase, your invoice number (located on the email receipt) and your name and address.

MIDDLE OF FORM (IN BOX): Please fill in all blank spaces using the same information for the Bill of Sale.

MSO BACK:

Please print the back of the MSO on the back of the same piece of paper used for the front of the MSO. Occasionally a registration office will deny the paperwork if not printed this way.

NOTE: It is not necessary to have signed original copies of this paperwork, although occasionally a customer with this problem at the registration office. If this happens, please email us at support@alpineboats.com and we will send you original copies.

Thanks again for your purchase! Happy boating!
